### Please wear sunscreen and stay hydrated!

Parents, please apply sunscreen on your children in the morning before school. We have sunscreen to help students re-apply throughout the day. Students can also wear hats to help protect their face. *\*If you wish us not to apply sunscreen please let your teacher know, otherwise we make sure each student is covered.*

There are water/first aid stations on the field around the games and events. Teams will make frequent stops for water. Feel free to bring your own water bottle, but please keep track of your belongings.

## What to Wear

- \* Toddler through 8<sup>th</sup> grade students must wear a shirt that matches their Buddy Family's team color.
- \* Kindergarten through 8<sup>th</sup> grade students need to wear a second shirt/tank top (under the Buddy Family shirt) matching their afternoon team's color. It would be best for K-8<sup>th</sup> Grade students to layer their two-team shirt colors to avoid having to go back into the school to change clothes for the afternoon.
- \* Your teacher will send home a notice about what color shirt(s) your child needs to match their team. If you do not have that colored shirt already: you could borrow one from a friend, tie dye an old white shirt or Hobby Lobby/Thrift Stores have all of the colors we are using and their shirts are only a couple of dollars.
- \* Remember to bring tennis shoes, old clothes, extra change of clothes and towel. And parents, dress comfortably to follow your child from game to game.
