

Summer Smile

Summer at Oakhill: All Smiles all the Time

The health and safety of our community is our number one priority. In light of the Covid-19 events, we want everyone to know the health and safety precautions we are taking so you can make an informed decision about sending your child to camp. We are focused on taking preventative measures to minimize any risk during your child's time with us this summer. We have taken many steps, including enhanced cleaning procedures, wiping down frequently touched surfaces, eliminating the lunchroom. In addition, if a student or staff develop symptoms of illness while in our care, we will respond to, and isolate them until they can be sent home. As this situation continues to change from day to day, we will adapt to new procedures and protocols as advised by the CDC and local health departments. Our new systems will continue to be updated and changed throughout the summer to keep your child safe. Please understand that coming to Oakhill this summer is entirely up to you, we would love for everyone to join us, but ultimately the decision is yours.

The following list contains program details and protocols as of **5/15/2020**. All procedures are subject to change upon recommendation by the CDC and local health departments throughout the summer.

Important Disclaimer

Participation in summer camp will involve social interaction with others as well as physical activities. As such, participation in summer camp entails known and unanticipated risks, which could result in physical or emotional injury, sickness, paralysis, or death as well as damage to property. Parents and guardians understand that such risks simply cannot be eliminated, and parents and guardians elect to have their children participate in summer camp despite the risks.

(The following guidelines are valid from 6/1/2020 - 6/15/2020)

2020 Summer Care Details

Summer Dates

June 1 - July 31 (no camp July 3)

9-week program

Summer Hours of Operation

8:30 am - 3:30 pm

Summer Pricing

- \$225 per week Toddler-Kindergarten (Lunch included)
- \$195 per week 1st-8th grade (Lunch included)

There is a one-time \$35 registration fee due at the time of enrollment.

Registration Information

In order to stay within suggested guidelines, timely registration is important.

Currently, we are limiting groups to 10 students per room.

- Sign up for a full week (Because of the limited number of spaces we cannot allow walk-ins)
- Priority enrollment to families who sign up for all 8 weeks of summer

How to Register

Visit the Oakhill summer page on the web at oakhilldayschool.org/summer

- After registering your child for summer camp, if you need to make any changes to your registration please contact [Taylor Clevenger](#).

Refund Policy

If Oakhill Day School cancels care, you will receive a full refund for any days missed due to that closure.

All other cancellations will be refunded according to the following schedule:

- If you cancel with a 14-days notice you will receive a **75% refund**
- If you cancel with 5-7 days notice you will receive a **50% refund**
- If your child is sick or is not allowed entry because of suspected illness **no refunds** will be issued
- Because of the limited number of students we are able to accept, we are unable to refund cancellations made with less than 5 days' notice

Morning Drop-off / Afternoon Pick-up

Morning Drop-off 8:30-9:00 am Toddler-8th grade

- Parents are asked to park and walk their camper up.
- Campers will have their temperature taken upon arrival and then parents are dismissed to leave
- If a child does register a temperature they will not be allowed to attend camp and must follow the reentry guidelines below
- If you arrive after 9:00 am, please park at the end of the circle drive and follow the directions outlined on the parking sign

Afternoon Pick-up 3:30-3:45 Toddler-Toddler-8th grade

- Parents are asked to park at circle drive and walk up to the check out station to pick up their camper.

Late Fee: Starting at 3:50 \$1 per minute for the first 5 minutes, then \$5 per minute after that

Lunch & Snacks

In an effort to keep the building as sterilized as possible this summer, we are limiting what can be brought in from the outside.

For this reason:

- Lunch will be provided to all campers
- Lunch will be brought to your child's room in individualized containers
- No outside food or drinks allowed (including unfinished breakfast items)

2020 Summer Lunch Menu

This menu is for the whole summer; it resets every 2 weeks.

Week One

- Monday - Hamburger with condiments, fries/chips, corn, fresh fruit
- Tuesday - Chicken quesadilla with salsa/chips and guac, fresh fruit
- Wednesday - Spaghetti and meatballs, Breadstick, fresh fruit
- Thursday - Pulled pork sandwich, Carrots and celery/cucumber with ranch, fresh fruit
- Friday - 2 Slices of Pizza, salad, breadstick, fresh fruit

Week Two

- Monday - Hot dog with condiments, fries/chips, corn, fresh fruit
- Tuesday - Chicken tenders, Mac and cheese, fresh fruit
- Wednesday - Chicken fettuccine Alfredo, breadstick, fresh fruit
- Thursday - Hot Ham and Cheese, carrots and celery/cucumber with ranch, fresh fruit
- Friday - 2 Slices of Pizza, salad, breadstick, fresh fruit

Facilities (Construction)

Construction will continue at the main entrance throughout the summer. The construction zone will be clearly marked and not in use by any student during the summer. We are excited to show you the finished product but until then, the area is off-limits.

Additional Health and Safety Guidelines

In order to ensure that we have a healthy and safe summer, the following guidelines will be followed:

- Daily temperature checks
- Enhanced cleaning measures throughout the day, throughout the entire building and campus
- Sanitation stations throughout the building
- Only essential workers allowed in the building, no visitors including parents and outside vendors
- Lunch will be eaten in small groups in the classroom or outside
- No large group gatherings of 10 or more inside the building
- Full-time nurse on staff
- Staff and Camper training on handwashing and hygiene
- Groups will remain apart throughout the day
- Every classroom is equipped with their own cleaning and disinfecting supplies
- No shared items such as plates, cups, or condiments
- Utilizing outdoor space so your kids can enjoy the same camp they know and love
- New Rapid response protocols in order to adapt to any illnesses from staff or campers
- Titan security officer on-site during all camp hours

Summer Health Room Procedures

Upon student drop off for Summer Camp, the parent is (nonverbally) declaring (proclaiming/stating/asserting) that to the best of their knowledge, their child/children have not displayed any symptoms (fever, shortness of air, cough,) that would be consistent with or indicative of COVID-19.

Student Arrival

- Daily temp check upon arrival, with a mid-day health check

- Staff/Students immediately wash their hands/ hand sanitizer.

Data tracking

- Daily tracking of attendance & monitoring trends
- To report an absence, call **816-436-6228** and **press 3**.

COVID-19 Response Plan

Procedure for assessment of staff/students with symptoms of COVID-19

If your child is feeling ill please have them stay at home

Students will be sent home if they have a fever 100.4 or greater if they have more than two of the following symptoms, headache, cough, shortness of breath, difficulty breathing, fever chills, muscle pain, sore throat, the new loss of taste or smell they will be sent home for evaluation.

Students may return if they are symptom-free for 48-hours unaided by any medications or have a doctor's note stating they have been tested with negative results or no test was necessary due to not meeting the criteria for COVID testing.

If a teacher or student tests positive for COVID-19 and/or are exhibiting common [symptoms](#) of COVID-19 (cough, fever, shortness of breath): Please self-quarantine at home (do not leave) for 14 days and follow instructions per your doctor.

Return per ODS protocol as stated below.

If a teacher's spouse, student's parent, or a person that shares a household with someone that has tested positive for COVID-19: Please self-quarantine at home (do not leave) for 14 days and return per ODS protocol as stated below.

If a teacher or student has been notified by state or local public health officials that they have been in close contact with a laboratory-confirmed case of COVID-19: They should quarantine at home for 14 days since your last contact with the case.

(A close contact is defined as someone who has been closer than 6 feet for more than 10 minutes while the patient is symptomatic.)

Return of Student or Teacher who was COVID-19 positive

If you have not had a test to determine if you are still contagious, you can leave home after these three things have happened:

- you have had no fever for at least 72 hours (that is three full days of no fever without the use of medicine that reduces fevers) AND
- other symptoms have improved (for example, when your cough or shortness of breath have improved) AND
- at least 10 days have passed since your symptoms first appeared

If you have had a test to determine if you are still contagious, you can leave home after these three things have happened:

- You no longer have a fever (without the use of medicine that reduces fevers) AND
- Other symptoms have improved (for example, when your cough or shortness of breath have improved) AND
- You received two negative tests in a row, at least 24 hours apart. Your doctor will follow [the CDC guidelines](#).

Summer Travel

We ask that families who choose to travel throughout the summer while registered for our program follow CDC recommended guidelines before returning to our program.

Travel Recommendations

Cases of coronavirus disease (COVID-19) have been reported in all states, and some areas are experiencing community spread of the disease. Travel increases your chances of getting and spreading COVID-19.

The CDC recommends you [stay home](#) as much as possible, especially if your trip is not essential, and [practice social distancing](#) especially if you are at [a higher risk of severe illness](#). Don't travel if you are sick or travel with someone who is sick.
